

Pleasant Valley Park Picnic Shelter Information

MAXIMUM CAPACITY: 150 PERSONS

The Pleasant Valley Park Picnic Shelter is available for parties of up to 150 people. Public restrooms and a children's playground are located adjacent to the shelter. The facility is available for rental sunrise to sunset, daily. Features:

- Eight 6-foot picnic tables
- Two handicap accessible picnic tables
- Two charcoal grills – on patio area adjacent to shelter, 3ft by 2ft approximate grilling area each
- Electricity
- Prep counter with sink

Rental Reminders:

- ALCOHOL may only be served if a liquor permit is obtained in conjunction with your reservation. Only Township Residents may obtain a liquor permit. Insurance is required.
- The key issued will unlock the roll gate underneath the shelter for access to water and electricity as well as the lock on both grills. You are not permitted to bring your own grill to any facility.
- Follow all instructions provided regarding the use and cleaning of the charcoal grills.
- Do not move picnic tables to outside the shelter area.
- Vehicles are not permitted on paved pedestrian paths or on the grass. They must remain in the parking lot. This includes catering vehicles.
- Decorations, signs, posters, etc. are permitted; however, do not tack, staple or nail any items to walls or use tape that will damage the wall's paint when removed. Remove all decorations hung inside and outside at the end of your rental.
- Wipe down all tables, counters and sink areas used during your rental. Bring your own paper towels and soap/multipurpose cleaner to assist with clean-up.
- Bag your own trash using the containers near the shelter and place in the appropriate dumpsters in the parking lot near the tennis courts at the end of your rental. Use the blue recycling containers for all recyclables and leave the containers behind the roll gate in the shelter.

Location & Directions: Pleasant Valley Park, 3410 Valley Road, Basking Ridge, New Jersey.

**Note: This is an approximate address, there is no street number address for the park.*

- From North- Take I-287 South to Exit 26, toward Liberty Corner/VA Hospital. Turn left onto Mount Airy Road. Continue for 2.2 miles and turn left onto Valley Rd/CR-512. Continue .8 mile, park is on your left.
- From South- Take I-287 North to Exit 21-A onto I-78 East toward NYC. Take I-78 East to Exit 33 (CR-525, Martinsville Rd). Turn left onto Martinsville Road. Continue for 1 mile to traffic light and turn right onto Valley Rd/CR-512. Continue .8 mile, park is on your left.
- From East – Take I-78 West. Take Exit 36, turn right onto King George Road and continue straight for 1.6 miles. Turn left onto Valley Road/CR-512 (signs for VA Hospital). In 1.2 miles park will come up on right.
- From West – Take I-78 East to Exit 33 (CR-525, Martinsville Rd). Turn left onto Martinsville Road. Continue for 1 mile to traffic light and turn right onto Valley Rd/CR-512. Continue .8 mile, park is on your left.

Pleasant Valley Park – Charcoal Grills

The key will unlock the padlocks on each grill and the padlock for the gate inside the picnic shelter, providing access to water and electricity.

To unlock the gate inside the picnic shelter: Look for the padlock to the left of the gate when facing. Unlock and remove the chain. Pull the chain until the gate lifts all the way.

At the End of Your Rental

When grills have completely cooled, remove charcoal with metal shovel provided and place in the metal containers provided and replace lid. Cover the charcoal with water and place the container at the base of the grill and replace covers. DO NOT place charcoal in the garbage cans or dumpster. Relock the gate under picnic shelter when shut. Be sure to place a link of the chain over the hook and secure the lock so the chain cannot be moved.

Important Safety Reminders

Liquid lighter fluid is not allowed.

Limit the amount of charcoal on site to the amount needed for the event.

Charcoal shall be left in grill until cold, then removed to a metal bucket (provided) and covered with water.

An adult shall be in attendance while the grill is in use or hot.

A container (bowl, bucket) of clean cold water should be available to cool small burns if needed.
