

BERNARDS TOWNSHIP IS LOOKING FOR TALENTED RESIDENT VOLUNTEERS!

Are you interested in becoming involved with your Bernards Township government?

If you have a passion for your township and want to make a meaningful difference in our community, one way is to serve as a member on a municipal board or commission. Meetings are generally held monthly at the Municipal Building, 1 Collyer Lane, Basking Ridge, NJ.

The *Township Committee* is searching for interested residents to screen for next year's appointments. To be considered, simply complete a Tap the Talent form so your *Township Committee* members know of your interest. *Please note that each appointment is carefully reviewed and considered based on specific requirements needed for that individual board or commission.*

Check out the various boards and commissions on the Bernards Township website www.bernards.org. Click on "Boards" to see a list of committees, boards, or commissions! (i.e. *Planning Board, Shade Tree Commission, Pool Commission, and many more*)
