Children under 48" tall must pass a swim test to use the diving boards. Children must be toilet trained to use the main pool, swim diapers are not permitted. This pool ranges from 2 feet in depth at step entry to 10 feet 9 inches in the diving well.

Training Pool & Slide

The training pool features a twist slide, step entry and a maximum dept of 3.5 ft. Children wishing to use the slide must be at least 48" tall, or pass a swim test. Swim diapers are required for non-toilet trained children.
