Please go to inspirationgolfrange.org, head to the lessons tab and see the camps we are offering along with other events throughout the season. Payment can be made on the website via credit card and must be made to secure your spot in the camps. It is best for students to have their own clubs, but we can supply clubs if necessary. Each weekly camp will have a play day on Friday. If the golf course is closed due to rain, we will continue on the driving range on the final day. Water will be supplied daily but students should plan on bringing their own snacks or drinks other than water. We will supply lunch on Friday after golf has been completed.

Camps fees are for the week and refunds will not be given due to schedule conflicts or inclement weather shortening a day or preventing the students from playing the course on Friday.
