CAPITAL	BUDGET	AND	CAPITAL	IMPROVEMENT	PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means. **CAPITAL BUDGET** - A plan for all capital expenditures for the current fiscal year. If no Capital Budget is included, check the reason why: Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements. No bond ordinances are planned this year. CAPITAL IMPROVEMENT PROGRAM - A multi-year list of planned capital projects, including the current year. Check appropriate box for number of years covered, including current year: 3 years. (Population under 10,000) 6 years. (Over 10,000 and all county governments) years exceeding minimum time period.

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately

previous three years, and is not adopting CIP.

CERTIFICATION I hereby certify this is a true and exact copy of a resolution adopted by the Bernards Township Committee on 03/26/2024.

Bernards Township Agricultural Advisory Committee 2023 Annual Report to Township Committee

The Agricultural Advisory Committee continued its mission of promoting and preserving agriculture as a viable economic activity within Bernards Township and enabling agricultural enterprises to continue to contribute to the quality of life in the community.

The Committee continued to showcase its interactive map of local farms and execute on its communication strategy. During National Agricultural Month (March), the Committee Chair spoke before the Township Committee to discuss the map and how it could be used by the town. The chair also drafted a resolution approved by the township committee recognizing the month and the value the farming community brings to the town. The map was later shared by several local online news outlets and on social media. The Committee also updated its Committee webpage to include more resources for farmers.

The heavy rain on Charter Day prevented us from hosting our annual booth with the Somerset County Office of Planning, Policy and Economic Development. The Committee hoped to showcase our map as well as several flyers and take-home from the Bernards Township Committee farms.

The Committee led the Annual Pumpkin Smash at the English Farm and sought support from the Environment Committee, who previously led the event. A press release and flyer was developed and used by the local media outlets. The event was very well attended and received local news coverage.

The Committee hosted its Annual Farmers Meeting on December 14th. The meeting was held at the Farmstead Arts Center and we opened it up to the broader Somerset Hills Farming community. The Committee had several speakers, including Erin Darreff of the 7th Congressional District, Nick Polanin of the Rutgers Cooperative Extension and Katelyn Katzer of the Somerset County Office of Planning, Policy and Economic Development.

Agenda and Date Voted: 03/26/2024

Explanatory Statement

This resolution awards a contract for Architectural services to prepare a concept and estimate to renovate the Engineering DPW Building at 277 South Maple Avenue. The building does not have an elevator, has inadequate locker rooms, narrow hallways, cramped public waiting areas and short mechanics bays that larger trucks do not fit in. Additional conference rooms and DPW foreman offices are needed, and the bathrooms are 40 years old. Overall, the building is a disarray of inadequate office space and poorly arranged public areas. Once an estimate is prepared the Township will seek grant opportunities to fund any renovations.
